Is my study research?

 To print your result with title and IRAS Project ID please enter your details below:

Title of your research:

MULTICENTRE UK TANEC AUDIT

IRAS Project ID (if available):

You selected:

- 'No' - Are the participants in your study randomised to different groups?
- 'No' - Does your study protocol demand changing treatment/ patient care from accepted standards for any of the patients involved?
- 'No' - Are your findings going to be generalisable?

Your study would NOT be considered Research by the NHS.

You may still need other approvals.

Researchers requiring further advice (e.g. those not confident with the outcome of this tool) should contact their R&D office or sponsor in the first instance, or the **HRA** to discuss your study. If contacting the HRA for advice, do this by sending an outline of the project (maximum one page), summarising its purpose, methodology, type of participant and planned location as well as a copy of this results page and a summary of the aspects of the decision(s) that you need further advice on to the HRA Queries Line at HRA.Queries@nhs.net.

Dear Dr Clarke

Thank you for your enquiry regarding the multi-centre audit entitled

"Transfusion Associated Necrotizing Enterocolitis" ('TANEC')".

I can confirm from the information provided that this project does not meet the criteria for NHS research and does not require formal ethical approval or local NHS permission.

Please do not hesitate to contact me should you require any further information.

Yours sincerely

Lisa Chalkley
Research Services Manager
