Supplement material 2

Category	Subcategory	Number of quotes
Purchase	Costs of the activity tracker (1)	14
	Costs of a subscription (2)	2
	Compensation of healthcare insurance (2)	3
	Possession of a smartphone (1)	7
	Possession of a computer (2,3)	14
	Available and clear information about the feasibility of the trackers (1,2)	5
Instruction	Required instruction from physiotherapist (1,2)	75
	Support (helpdesk, blogs, YouTube) (2,4,5)	0
	Required technical skills (2,6-8)	52
Characteristics	Installing and receiving data from the activity tracker (1,5,7)	59
of the activity tracker	Measured variables by the activity tracker (2,3,6,7,9,10)	108
	Interface (5)	1
	Accessibility (2,5)	104
	Wearing comfort (1,3,5,7,8,11-13)	155
	Setting goals (3,8,14,15)	11
	Complexity (2,6,8)	131
	Feedback (1,3,6-11,13)	135
	Robustness (2,5,13)	29
Correct	Validity (5-7,9,11-13)	11
functioning	Reliability (5-7,9,11-13)	30
	Technical errors (2,4)	23
Sharing data	Interoperational (2,3,5)	0
	Possibility to share data (2,4,7,12,14)	8
Privacy	Safely sharing data (5,7,11,13)	2
	Warrant of privacy (2)	22
	Insight into physical activity level by physiotherapist (11)	12
	Authorisation, authentication, license (2)	0
Use of the activity tracker	Implementation in physiotherapy (1,2,4)	49
	Interface (5)	0
	Compliance (2,4)	89
	Setting goals (4,6,15)	129
	Choice of activity tracker	30
	Discussing results with physiotherapist	38
Interest in	Added value of feedback (1,3,6,8-11,16)	184
feedback	Faith in measurements and measurement procedures (2,5,7,9,13)	39

^{*}Subtopics in bold are added after the evaluation of the framework
